

**REMARKS**

Claims 2-14 and 16-28 are pending in the present application. Claims 1 and 15 are canceled, and claims 2 and 16 are amended with this response. Applicants note with appreciation the allowance of claims 23-28 and the provisional allowance of claims 2-14 and 16-22.

In the Office Action, it stated that claims 9-14 were objected to as being dependent upon a rejected base claim, but would be allowable if rewritten into independent form. It is respectfully submitted that claim 9 is an independent claim, and does not depend upon claim 1. Accordingly, claims 9-14 are believed to be allowable in their present form. Reconsideration of the application in light of the above amendments and the following remarks is respectfully requested.

**I. REJECTION OF CLAIMS 1 AND 15 UNDER 35 U.S.C. § 103(a)**

Claims 1 and 15 were rejected under 35 U.S.C. § 103(a) as being unpatentable over U.S. Patent No. 6,781,184 (Solayappan et al.) in view of U.S. Patent No. 5,825,068 (Yang). Claims 1 and 15 are canceled herein, thereby rendering the above issue with respect to these claims moot. Accordingly, withdrawal of the rejection is respectfully requested.

**II. CONCLUSION**

For at least the above reasons, the claims currently under consideration are believed to be in condition for allowance.

Should the Examiner feel that a telephone interview would be helpful to facilitate favorable prosecution of the above-identified application, the Examiner is invited to contact the undersigned at the telephone number provided below.

Should any fees be due as a result of the filing of this response, the Commissioner is hereby authorized to charge the Deposit Account Number 20-0668, TI-35996.

Respectfully submitted,
